Double down rules

Best average finish between limited weld and stock class driver team will receive \$1000 bonus(per team).

To participate, drivers must sign up teams on Friday night when checking in. The driver from each class will pay \$20 per car for this challenge. Participation in this bonus competition is strictly optional. No minimum participation for payouts. No late registrations - **before start** of Friday's show.

If team registered car doesn't make finals, will be considered 13th for scoring purposes.

If the result of a tie on team average highest individual placing is the tie breaker.

IE: team with 1st and 4th beats team with 2nd and 3rd. Each driver can only be on one team.

If both teams have the same finishing positions at the end of the events they will split the \$1000.

Any driver can be his own partner and drive both nights.

Any questions regarding the show or double down rules, please contact Fair Board member Andrew at 402-670-0233.
